

**School of Arts and Sciences · Department of Biology  
Tenure-Track Assistant Professor of Biology**

The Department of Biology at The Catholic University of America seeks to fill a Tenure-Track Assistant Professor position in Biology to begin in August 2024.

We seek candidates who understand, are enthusiastic about, and will make a significant contribution to the [mission of the University](#).

The candidate will be a computational biologist/bioinformatics researcher whose research integrates basic and translational research to solve problems in fields such as human disease, biotechnology or clinical medicine. Applications are sought from candidates using multifaceted mechanistic approaches with an emphasis on computational approaches to study an important problem. The successful candidate will join a collegial research-oriented department that offers undergraduate and graduate (MS and PhD) programs. The new faculty member is expected to pursue an extramurally-funded research program and teach undergraduate and graduate courses in computational biology/bioinformatics and/or cell and molecular biology. The candidate will also lead an effort to develop a new graduate program in Computational Biology/Bioinformatics and assist in the administration and development of other undergraduate and graduate programs in the Department of Biology. Requires Doctorate in Biological Sciences or related field or foreign degree equivalent.

**Appointment:** Full-time, tenure-track appointment at the rank of Assistant Professor to begin in August 2024.

**Application:** Applications should include:

- *A curriculum vitae*
- A one- to two-page statement of research interests
- A one-page statement of teaching interests and philosophy
- A one- to two-page personal statement indicating how your teaching and service will make a distinctive contribution to our [University's mission](#) and to the vision of Catholic education outlined in the Apostolic Constitution on Catholic Universities [Ex Corde Ecclesiae](#).
- Three letters of recommendation to be sent directly by referees

Submissions will remain open until the position has been filled, but priority will be given to applications submitted before March 31, 2024.

To apply or to request more information, please contact Dr. Pamela Tuma ([tuma@cua.edu](mailto:tuma@cua.edu)).

**The Catholic University of America is an Equal Opportunity Employer.**
