

**Conway School of Nursing  
Assistant / Associate Professor (Tenure Track)**

The School of Nursing at The Catholic University of America seeks to fill an approved full-time (8.5 months), benefits-eligible, tenure-track Assistant or Associate Professor position.

The SON is CCNE accredited and has over 750 students enrolled in BSN, MSN, DNP, and PhD programs. Our MSN, DNP, and PhD programs are also offered on-line. Moreover, The Catholic University of America boasts a beautiful campus in the heart of Washington DC, the nation's capital, a center of health care, higher education, culture, and history.

We seek candidates who understand, are enthusiastic about, and will make a significant contribution to the mission of the University, which reads as follows: "As the national university of the Catholic Church in the United States, founded and sponsored by the bishops of the country with the approval of the Holy See, The Catholic University of America is committed to being a comprehensive Catholic and American institution of higher learning, faithful to the teachings of Jesus Christ as handed on by the Church. Dedicated to advancing the dialogue between faith and reason, The Catholic University of America seeks to discover and impart the truth through excellence in teaching and research, all in service to the Church, the nation and the world."

**Minimum Qualifications:** 1. Earned PhD in nursing; 2. Graduate teaching experience; 3. Evidence of program of scholarship; 4. Evidence of funded research preferred; 5. Professional experience commensurate with the rank of assistant or associate professor; 6. Academic administrative and leadership experience; 7. Excellent communication skills; 8. Proven ability to mentor students; and 9. Demonstrated ability to function effectively in large, complex organization and to work productively and collaboratively with individuals and groups.

**Responsibilities:** 1. Teach in the on-campus and on-line graduate programs (MSN, PhD and DNP); 2. Advise/chair student dissertations and scholarly DNP projects; 3. Guide and mentor junior faculty in scholarship by facilitating research and publications; 4. Maintain a program of research; 5. Facilitate interdisciplinary collaboration among university and external researchers; and 6. Serve as Chair and member of SON committees and SON liaison on university committees.
