

Clinical Assistant Professor, BSN Program

The Conway School of Nursing (CSON) at The Catholic University of America (CUA) seeks to fill a full-time, benefits-eligible faculty position for a Clinical Assistant Professor for the Baccalaureate Program.

We seek candidates who understand, are enthusiastic about, and will make a significant contribution to [the mission of the University](#), which reads as follows: *As the national university of the Catholic Church in the United States, founded and sponsored by the bishops of the country with the approval of the Holy See, The Catholic University of America is committed to being a comprehensive Catholic and American institution of higher learning, faithful to the teachings of Jesus Christ as handed on by the Church. Dedicated to advancing the dialogue between faith and reason, The Catholic University of America seeks to discover and impart the truth through excellence in teaching and research, all in service to the Church, the nation and the world.*

The CSON is distinguished for preparing expert clinicians, nurse scientists, and leaders. The CSON is CCNE accredited and has over 400 students enrolled in BSN, MSN, DNP, and PhD programs. Ranked in the top 8th percentile by U.S. News and World Report, the on-line MSN program prepares nurse leaders. The DNP Program prepared family nurse practitioners (FNPs), adult-gerontological acute care nurse practitioners (AGACNPs), and acute and primary care pediatric nurse practitioners (PNPs). Post-graduate APRN certificate program tracks are also available and in Fall 2024 an Adult-Gerontology Acute Care Nurse Practitioner program was first launched. The on-line DNP program, approved for post-master's and post-baccalaureate pathways, focuses on leadership in advanced nursing practice. The on-line PhD program prepares expert clinicians as nurse scientists.
